Lost, Stolen, or Water-Damaged Key Fob Policy

Modern Smart Fob Costs

Modern vehicles utilize encrypted digital proximity key fobs. Replacing, laser-cutting, and reprogramming an electronic key fob requires dealership programming tools:

- **Standard Key Replacement Fee:** \$250.00 to \$450.00 (depending on vehicle make).
- **Gold Platinum Protection Coverage:** \$0 replacement fee for one lost key per rental contract.

Emergency Mobile Locksmith Dispatch

If keys are locked inside the vehicle or lost at your hotel/activity:

- Apex dispatches an emergency mobile locksmith to decode the door locks or deliver a duplicate backup key from the local hub.
