Traveling with Pets & Service Animals

Pet-Friendly Policy

Apex is proud to be pet-friendly! Domestic dogs and cats are welcomed in all rental vehicles at zero extra daily pet surcharge.

Guidelines for Responsible Pet Travel

- 1. Crates & Seat Covers:** Pets must be kept in travel crates or travel on protective blankets/hammocks spread across rear seating.
- 2. Safety Restraints:** Ensure pets are harnessed safely and not loose on the driver's lap.
- 3. Cleanliness:** Return the vehicle free of excessive pet shedding, mud, and odor. A standard vacuuming is appreciated.

Service Animals

Service animals recognized under the Americans with Disabilities Act (ADA) are exempt from crating rules. Detail cleaning fees are waived for service animal hair unless severe physical upholstery damage occurs.
