Vehicle Theft & Vandalism Policy

Protocol When Theft Occurs

- 1. Immediately Notify Police:** Call 911 or the local police department within 2 hours of discovering the theft and obtain a formal Police Incident Report number.
- 2. Contact Apex Security Hotline:** Call 1-800-555-APEX (ext 2 for Security & Claims).
- 3. Return Keys:** You must surrender all original keys provided at rental pickup. Failure to return the physical keys creates a legal presumption of gross negligence or vehicle abandonment unless stolen under verified robbery.

Financial Responsibility

- **With Gold Platinum or CDW:** \$0 liability, provided original keys are surrendered and a police report is filed.
- **With Standard Protection:** Renter is liable for the full current actual cash value (ACV) of the vehicle minus recovery value, plus up to 30 days loss of use.
