Credit Verification & Screening Guidelines

Major Credit Cards

Renters presenting an active, valid major credit card (Visa, Mastercard, American Express, Discover) do **NOT** undergo any credit check or credit bureau scoring inquiry. Verification is limited to an authorization hold of the estimated rental amount plus the \$200 security deposit.

Debit Card Soft Credit Inquiry

For customers utilizing a bank debit card at non-airport downtown counters:

- Apex conducts a confidential **soft credit inquiry** via Equifax or Experian.
- A soft inquiry does **NOT** impact the customer's credit score.
- Minimum qualifying score: 620.
- If the customer does not meet the threshold, they must present a valid major credit card to secure the rental.
