Supplemental Liability Insurance (SLI)

Coverage Limits & Cost

- **Daily Premium:** \$14.50 / day
- **Liability Limit:** Provides primary liability protection up to \$1,000,000 USD combined single limit (CSL) per accident.

Why SLI Is Vital

Standard state statutory minimums are frequently as low as \$25,000 for bodily injury and \$10,000 for property damage. In a serious multi-vehicle highway accident, claims quickly exceed these minimums, exposing the renter's personal savings, home equity, and wages. SLI shields the renter up to \$1,000,000.

International Renters

SLI is strongly recommended for international visitors whose overseas personal auto insurance policies do not cover third-party liability claims within the United States.
