International Driving Permits (IDP) & Overseas Travelers

Requirements for International Renters

Visitors from outside the United States and Canada must present:

- 1. Valid National Driver's License:** Issued by their home country in their legal name.
- 2. Valid Passport:** With entry stamp or valid I-94 arrival record.
- 3. International Driving Permit (IDP):** Mandatory if the home country driver's license is not in the Roman/Latin alphabet (e.g., Arabic, Cyrillic, Mandarin, Japanese, Hebrew). An IDP translates the home license and is only valid when presented alongside the original physical national license.

Return Airfare Verification

International renters paying with a debit card must provide proof of an international return airline ticket departing within 30 days of the rental start date.
