One-Way Rentals & Inter-City Drop Fees

Booking a One-Way Rental

Apex supports convenient one-way itineraries between major airport and downtown depots nationwide (e.g., pick up at JFK Airport, drop off at Boston Logan).

Inter-City Drop Fee Calculation

One-way rentals are subject to a **One-Way Drop Charge** determined by the straight-line distance between the pickup and drop-off hubs:

- **Intra-Metro Transfers (< 50 miles):** \$25.00 flat fee.
- **Regional Inter-City (50 to 250 miles):** \$75.00 - \$150.00 fee.
- **Long-Distance / Cross-Country (250+ miles):** Quoted at booking based on fleet rebalancing demand (typically \$0.30 - \$0.50 per highway mile).

Unauthorized Drop-Off Penalty

Returning a vehicle to an unauthorized depot without amending your contract results in a **\$250.00 Unauthorized Drop-Off Surcharge** plus standard mileage redistribution fees.
