Security Deposits and Credit/Debit Card Holds

Document ID: **DOC-028** | File Reference: pricing_03_security_deposits_and_card_holds.md | Verification: Active Corporate Policy

Security Deposits & Authorization Holds

Credit Card Security Deposit

- **Standard Deposit Hold:** \$200.00 USD authorization hold placed on the card at vehicle pickup.
- **Luxury / Full-Size SUV Deposit:** \$500.00 USD authorization hold.
- The authorization hold is not an immediate charge; it temporarily freezes available credit line funds.

Debit Card Acceptance Policy

- Debit cards with Visa or Mastercard logos are accepted at airport and city counters under the following conditions:
 1. A security deposit hold of **\$500.00 USD** is processed.
 2. Renter must present proof of a confirmed return airline boarding pass matching the renter's name.
 3. Renter must provide two forms of government identification (e.g., Driver's License + Passport).
 4. Prepaid, Chime, Venmo, CashApp, and crypto cards are strictly NOT accepted.

Release Timeline

- Security holds are released by Apex within 24 hours of successful vehicle check-in.
- Depending on the customer's issuing bank, the funds typically reappear in available credit in 2 to 5 business days (credit cards) or 5 to 10 business days (debit cards).
